

Promote a Just and Peaceful World

November 2020

Greetings Friend,

World Citizen is a nonprofit that supports a positive difference for our future generations. I am sharing this information with you because I know you also want to help foster a just and peaceful world for the future.

This organization is holding a campaign to match a generous donor's gift of \$10,000.00! World Citizen's mission is to **Empower Communities to Educate for a Just and Peaceful World**. Their work is done through two programs which promote peace focusing on education. The exciting challenge World Citizen has to educate is virtual and will be available world-wide. They have already started moving forward with this opportunity. I encourage you to visit their website www.peacesites.org to learn more about this group's commitment.

It is my hope you will join us in supporting World Citizen with a donation. Join me in sharing this information with another person who would be interested in supporting work for peace at home and globally. Donations can be made online at www.peacesites.org or by mailing the remit envelope enclosed.

Time is of the essence when we talk about respect and peace: Peace within our homes, within our schools, our businesses, and other places of gathering. World Citizen's reach will be wide, influencing the lives of all ages in all parts of the world. Thank you for being our partner in working for a **Just and Peaceful World**.

Sincerely,

Kathy Millington, Executive Director
